Orientation Registration

Before proceeding, please check each of the following boxes to confirm you have read and agreed to each. After agreeing, you'll be able to register for orientation.

- ☒ I have read the UK Community Statement at orientation.uky.edu/conduct and understand my obligations as a new member of the University of Kentucky community.
- ☒ I acknowledge that I will advise and register with my admitted college and major (as listed on my acceptance letter). If I wish to change my major, I will submit a request at least seven days prior to orientation at orientation.uky.edu/major.
- ☒ I understand that my orientation will consist of multiple parts, including specific programming and academic advising, and that I will be required to complete items prior to my confirmed orientation date in order to register for courses. The full orientation checklist is available at orientation.uky.edu/checklist.

If you need to revisit the items above, visit orientation.uky.edu/checklist.

Before you enroll at UK, will you have completed any college-level coursework through dual credit, AP/IB or on a college campus, while in high school? This will help our team and your advisor support you in course registration, based on coursework you're bringing with you to the University of Kentucky.
