WELCOME TO THE WILDCAT FAMILY!

We’re excited to have you as part of the Big Blue Nation. This checklist is a quick outline of things to do between now and the time you arrive on campus. Students will receive specific information leading up to their registered move-in date, so check your email frequently to ensure you don’t miss anything!

- Check your UKY email account frequently!
- If you have not done so already and want to live on campus this fall, apply or complete your housing application.
- Review and accept your financial aid and scholarships (if applicable).

If you have completed your FAFSA and/or have been offered a scholarship from UK, you need to accept the award(s). Follow the steps outlined at www.uky.edu/financialaid/guide to complete this process. The deadline to accept a scholarship offer from UK is May 1.

*If a deadline falls on a weekend, the deadline is extended to the following Monday at 11:59 p.m. ET.
